To Whom it May Concern,

This is a personal letter of recommendation for Victoria Lenhardt, who has helped this company tremendously in straightening out many problems caused by our past bookkeepers and accountants.

Victoria has also been very instrumental in helping us work with the State Board of Equalization, the LA City Government and Yasuda Insurance Company as well as other agencies and has been able to recoup a nominal amount of money from these agencies due to her precise and inquisitive mind.

Although knowing CMA Security Group would be closing their doors, Victoria has been a very loyal employee and I'm sure any company who hires her will find her a very valuable asset.

Sincerely,

Michael E. Mina
Vice-President
